III. 閱讀測驗(36~40 題，共 5 題)

In the United States many old people live alone. Their lives are often lonely and unhappy and many feel that they are no longer useful to society. This was how 78-year-old Margaret felt. For four lonely years, who lived friendless and forgotten in a cheap hotel room in a poor suburb of New York. Everyday was the same; she would just lie on her bed staring at the ceiling. Then, about eight months ago, she was invited to the "Friends in Need" day care center. Every morning since then, she has left her room to join twenty other elderly people at the center in a program that includes charity work, trips and games. Now, Margaret's life has meaning because she has something to look forward to each day. The most important thing is that she enjoys real friendship and is no longer lonely.

36. How do you think Margaret felt two years ago?
(A) Old and sick
(B) Independent and free
(C) Unwanted and hopeless
(D) Important and useful
37. What can be inferred from this passage?
(A) All old people are well cared for in America
(B) Margaret was incapable of looking after herself
(C) Friendship is not important
(D) Old people are often neglected
38. The main purpose of the day care center is to provide:
(A) Food and clothing
(B) Medical care
(C) Friendship and activities
(D) A place to live
39. When there is nothing to look forward to each day, what feeling may one have?
(A) happy
(B) satisfied
(C) hopeful
(D) empty
40. Which of the following would be suitable title for this passage?
(A) A reason to live
(B) Life in NY
(C) A hotel room
(D) Past and future
