3. 閱讀測驗(36~40 題，共 5 題)

There have been many outstanding composers of classical music. Three of them are Bach, Handel, and Haydn. Bach was a German composer and organist from the Baroque Period. He composed numerous works of music, including organ music, concertos, cantatas, and a lot of choral music for the church. Handel was another German Baroque composer. However, Handel mostly lived in England and composed music with English Lyrics. Handel is best known for his compositions based on stories from the Bible. Haydn lived after Bach and Handel during the Classical Period. He is sometimes called the Father of the Symphony. He composed more than one hundred symphonies. People also remember him for being the teacher of Beethoven, one of the greatest of all classical composers.

36. What is the passage mainly about?

- (A) The teacher of Beethoven.
