Dear Ms. Thompson:

I saw your advertisement for a hairstylist in the NY News Online. I have 5 years' experience at Weston Salon and Spa in Summer Hill, where I work 3 days a week as a stylist and beautician. This has given me a very good knowledge of current hairstyles and trends. I am self-taught, and am always willing to learn new techniques. I also have a good knowledge of beauty products and treatments, and am happy to share my understanding of beauty solutions with your customers. I believe my skills make me a good candidate to be a Senior Stylist at A Cut Above.
